

WHERE'S NEUROLOGY?

INFLUENCING COVID RECOVERY PLANNING, PROGRAMMES AND POLICIES

JUNE 30TH 2020, 13.30 – 15.00HRS CET

AGENDA

13.30 hrs: WELCOME

Ms. Joke Jaarsma, President, EFNA

13.35 hrs: INTRODUCTION (15 mins)

Neurology Patient Perspective: Overview of Challenges and Opportunities

Ms. Donna Walsh, Executive Director, EFNA (moderator)

13.50 hrs: PANEL DISCUSSION

The panellists will share the work their organisations are undertaking to ensure that the challenges and opportunities arising from Covid-19 are incorporated into policy and programmes being devised during the post-pandemic recovery phase and beyond. The focus will be on informing our advocacy to ensure the voices of those living with neurological disorders is reflected clearly in such decision-making – leveraging global initiatives and learning from best practice.
