# IDENTIFYING KEY POLICIES

## PRIORITISATION EXERCISE TO IDENTIFY THE POLICIES MOST RELEVANT IN YOUR COMMUNITY

### Policy Hooks

As explained in the e-learning module there are several policy hooks of relevance for the neurology community. Based on the details provided to you in the module:

- a. Please circle three policy hooks that you think are most important to your community.
- b. Within these policy hooks that you have chosen, please underline the specific policies that you would be most interested in engaging policymakers in:

#### COVID-19

- Recovery plan for Europe
- Next Generation EU

#### Access

- Pharmaceutical Strategy
- Europe's Beating Cancer Plan
- Health Technology Assessment

#### Digital Policy

- European Data Strategy
- Digitalisation of Health and Social Care

#### Social Policy

- Disability Strategy
- European Pillar of Social Rights
- European Accessibility Act

#### Funding

- Multiannual Financial Framework
- European Structural and Investment Funds
- Cohesion Policy

#### Global Agenda

- Sustainable Development Goals

- c. As you complete the exercise, feel free to use the space below to note any additional consideration to inform your future activity.
